SPEC SHEET

NASKA LARGE

Historical Archive, 1933

The Naska family of lamps is a classic from 1933. Simple and functional, with a revolving, adjustable arm, it is available in three different versions – table, floor and wall. More than any other lamp, Naska expresses an unmistakable identity through its archetypal form. It is the desk lamp par excellence, the original ancestor of every lamp with a spring-balanced arm. A timeless object, suitable for both domestic spaces and those dedicated to work.

Table lamp with direct light not dimmable. Rotating on/off switch placed on the diffuser head. Adjustable base and body made of chromed metal. Black power cable and plug. European two-pole plug. Bulb not included.
