

# VOLÉE

Odo Fioravanti, 2015

Volée is a Led luminaire of the latest generation, in which the formal research is combined with technological innovation. Featured by an essential design, Volée switches on with an almost tennis-style gesture: a simple wave of the hand under the head of this lamp activates an electronic device that switches the light on or off without any contact. A touch sensor over the head allows the flow of light to be regulated to four different levels of intensity (40%, 60%, 100%, 0%). A Time Out system automatically switches the lamp off after it has been on for 5 hours. The lamps consists of a head and of structural rods in extruded aluminum and joints in die-cast aluminum. The tension for the hidden-spring balancing mechanisms is provided by steel wires that allow to orientate the light emission with a fluid movement. Available in four different finishes with matt paint in white, anthracite grey and fluorescent yellow, Volée is suitable for every kind of environment, both modern and traditional.

## TECHNICAL SHEET

Table , floor and wall lamp with direct light emission and adjustable head. Body in extruded aluminium, head in die cast aluminium, joints in die-cast aluminum and mechanical wires in steel. Provided with base for table, clamp and wall mounting to be combined with the body, available anthracite grey, white and fluorescent yellow. A simple wave of the hand under the head of the lamp activates an electronic device that switches the light on or off without any contact (touchless). A touch sensor over the head allows the flow of light to be regulated to four different levels of intensity (0%, 40%, 60%, 100%). A Time Out system automatically switches the lamp off after it has been on for 5 hours. Once the lamp is switched off, it keeps the last light intensity used. The lamp is supplied with multiple plug. Black power cable, ballast on cable and plug.

**MODEL NAME:** Volée

**CODE:** 4286..

**DIMENSIONS:** 60 x 60 cm

**MATERIALS:** Aluminium

## COLORS

- Anthracite Grey - RAL Code: RAL 7024 Matt
- Fluorescent Yellow
- White - RAL Code: RAL 9016 Matt

**BULB:** Led - 7,5W (2700 K, CRI>90, Lm 800)

**PLUG:** Black

**POWER CORD:** Black

**DIMMER:** Touch dimmer

## CERTIFICATIONS AND SYMBOLS:

**MODEL NAME:** Demi Volée

**CODE:** 4289..

**DIMENSIONS:** cm 52 - cm 11

**MATERIALS:** Aluminium

## COLORS

- Anthracite Grey - RAL Code: RAL 7024 Matt
- Fluorescent Yellow
- White - RAL Code: RAL 9016 Matt

**BULB:** Led - 7,5W (2700 K, CRI>90, Lm 800)

**PLUG:** Black

**POWER CORD:** Black

**DIMMER:** Touch dimmer

## CERTIFICATIONS AND SYMBOLS:

## COMPONENTS

### BASE CODE - 4290..

Base for table (size 18 x 18 cm)

### CLAMP CODE - 4288..

Clamp for table (size 3 x 15 cm)

### FIXED CLAMP CODE - 4333

Fixed clamp (size 5 x 4,7 cm)

### BASE FOR TABLE WITH USB CODE - 4358..

Base for table with USB port for charging smartphones and tablets (size 18 x 18 x 3,6 cm)
