

THEA

Gabriele e Oscar Buratti, 2022

Table, floor, wall, ceiling and pendant, THEA is a family of lamps that covers all types of applications, designed for use both in the domestic environment of the home and in the more public and contract spaces of the hotel, restaurant and work sectors.

Table lamp providing diffuse dimmable light. Structure in galvanised metal. Inner diffuser in opal white blown acid-etched glass, outer diffuser available in transparent or coloured glass. Black power cable, dimmer and plug. Power supply on interchangeable plugs (UK, USA, Europe, China). Integrated LED.

The lamps keeps memory of last dimming setting.
