

FLÛTE LARGE

Franco Raggi, 1999

A glass cone holds the chromed aluminum reflector, supported by three slender metal rods. Equilibrium and lightness for this family of lamps available in floor and wall versions, for indirect light emission, and in a hanging version, for direct focused light.

Floor lamp indirect and dimmable light with sliding switch. Transparent borosilicate glass stem. Reflector made of glossy chromed aluminium. Base and reflector support made of chromed metal. Transparent power cable, dimmer and plug. Schuko plug, adapter and bulb not included.
