

OPTUNIA MEDIUM

Claesson Koivisto Rune, 2017

form is further emphasized by its colors: opaque white, bold and clean; dark mirrored chrome, which recalls the preciousness of metal; a darker shade resembling onyx; and quartz, whose color shifts from dark brown to black....

Floor lamp directional and dimmable light with button switch. Frame and base made of painted metal. The discs that make up the lamp are adjustable separately. Frosted pressed glass diffusers painted internally. Black power cable, dimmer and plug. Plug-in power supply with interchangeable plugs (UK - USA - UE). Integrated led.
