

PAROLA

Gae Aulenti e Piero Castiglioni, 1980

Designed by Gae Aulenti and Piero Castiglioni in 1980, the Parola lamp features three different kinds of glass working processes: blown glass, natural glass and natural crystal. It is an exemplary model of technical integration between artisan and industrial skills.

Table lamp with diffused and dimmable light. Borosilicate glass frame. Diffuser made of glossy and coloured blown glass paste. Transparent bevelled glass base. Braided fabric cable, black dimmer and plug. European two-pole plug. Bulb not included.
