

CORRUBEDO

David Chipperfield, 2005

Cloche is the makeover of Pudding, the hanging lamp from the FontanaArte Historic Archive designed in 1995. It comes in a range of soft, contemporary colors. When this latter version is switched on, the light creates a magical effect that enhances the design of the diffuser.

Wall lamp with indirect light not dimmable. Frame made of glossy painted metal. Satin glass side diffusers. Integrated led.
