

LUNAIRE

Ferréol Babin

Lunaire is a wall and ceiling lamp with a surprising light effect, reminiscent of the phenomenon produced by eclipses. A smaller front disc containing the light source is set inside a large concave aluminium diffuser. Two different effects are possible depending on how the small disc is positioned with respect to the diffuser: back lighting when the front disc is closed, in other words pushed towards the wall, or from inside the diffuser when the disc is pulled forward. Simply pulling or pushing the rod on the front of the disc immediately changes the lighting effect to suit the mood. Thanks to the large diameter of the diffuser, Lunaire is the perfect lighting solution for big areas, residential or contract.

SPECIFICHE TECNICHE

Certificazione	CE,EAC
Materiale	Metallo,Polimero
Emissione	Luce regolabile
Potenza totale	28,6W
Sorgente luminosa	LED integrato
Flusso luminoso	3650 Lm
Temperatura colore	3000 K
TYP CRI	>80
IP	40

SKU

F424665350BILE

NOTE

Wall lamp. Polyethylene rear body. Reflector and cap made of painted metal. Led included.

NERO, BIANCO / MEDIA
