

MERIDIANO

Gabriele e Oscar Buratti

SKU: F441725550NFWL

The “shape of light” is the central theme of this project by Gabriele and Oscar Buratti. Starting with the Equatore family of lamps, presented in 2017, the collection now includes new finishes and the Meridiano and Tropico series. These lamps feature glass and metal forms that diffuse light through opaline, colored, and transparent layers, creating fascinating effects. The new Meridiano lamp has a vertical cylindrical tube that diffuses light in a transparent glass capsule, defining its elegant ovoid shape. Available in two sizes, Meridiano comes as medium and large suspended lamps, and a medium-sized table version.

MERIDIANO

SPECIFICHE TECNICHE

Certificazione	CE,CLASSE II
Materiale	Metallo Galvanica,Vetro
Accensione	Dimmer incluso
Emissione	Luce diffusa
Potenza totale	25W
Sorgente luminosa	LED integrato
Flusso luminoso	2900 Lm
Temperatura colore	2700 K
TYP CRI	>90
IP	20

SKU

F441725550NFWL

NOTE

Dimmable diffused-light floor lamp. Nickel-plated metal base and stem. External diffuser in blown glass. Internal diffuser in internally painted Pyrex glass. Black power cable, dimmer and plug. Power supply with interchangeable plugs (uk - usa - europe - australia). Integrated LED.
